

OHIO POOLS & SPAS 2009 POOL OPENING REQUEST

Early Bird Special...Schedule your opening for the month of April and receive a \$40 in-store Gift Card*

*Gift card will be sent when opening invoice has been paid.

We would like to thank our loyal service customers who have always paid their bills timely. Unfortunately, an excessive number of delinquent accounts have forced us to modify our service invoicing policy. At the time of scheduling, we now require a deposit and a credit card number to secure payment. Customers with current open accounts will be invoiced for the balance upon completion of the work. Any balance past 60 days will automatically be charged to the credit card provided during the initial service request. New accounts and service requests that cannot be guaranteed with a credit card will be COD with payment by cash or check due at the time of service. Please complete this form, sign, and return it to us with the required deposit and credit card at your earliest convenience. We will process requests in the order they are received. We thank you for your past patronage and look forward to taking care of all your service needs in the future.

PLEASE CHECK ALL REQUESTED SERVICES

- Pre-season Pool** (we schedule as weather permits) (\$50 deposit)
