

Ohio Pools & Spas Pool Closing Agreement

It's that time of year again! Although it is still early, pool closing appointments fill up fast and we want to be able to accommodate our customers' requests for desired closing dates. Please complete this form, sign, and return it to us at your earliest convenience. **Note to our new or first time service customers: We require a valid credit card to keep on your account to secure the scheduled appointment. If you would like to pay with cash or check at the time of service you are more than welcome to, otherwise the card on file will be charged the following business day.** We thank you for your past patronage and look forward to taking care of all your future service needs!
